Please join us as we celebrate the groundbreaking of the Peace Family Housing Project — a transformational step toward creating safe, stable housing for families experiencing homelessness in our community.

This special morning will bring together community leaders, builder partners, trade partners, volunteers, and supporters as we officially break ground on a project that represents hope, dignity, and a brighter future for families in Central Texas.

## Event Schedule

- 9:00 AM — Welcome & Networking
- 9:30 AM — Groundbreaking Ceremony & Remarks
- 10:00 AM — Photos, Fellowship & Light Refreshments

Because of the generosity and collaboration of our incredible community, this project will help create more than housing — it will help create belonging, stability, and new beginnings for families who need it most.

We would be honored to celebrate this milestone with you.
